

Railroad Tie Collection Call

Fill this in before arranging transport

KEEP THE TIE INTACT UNTIL YOU ASK

Assume an old railroad tie contains preservative. Do not burn, sand, chip, mulch, or cut it just to fit a vehicle or bin.

WHAT YOU HAVE

Number of ties _____ Household or project waste _____

Approximate length _____ Approximate width and height _____

Known history, age, or previous use

Condition, odor, stains, residue, or visible damage

Visible spikes, plates, or other hardware _____

CALL NOTES

Facility or waste authority _____ Date _____

Contact or department _____ Phone _____

- ☐ Accepts household railroad ties
- ☐ Appointment required
- ☐ Tie must stay whole
- ☐ Photos requested before acceptance

Fee and payment method _____

Handling, covering, securing, or unloading instructions

Appointment details or next step

If the tie supports a wall or steps, is leaking, or sits with stained soil, stop and ask an experienced contractor or local environmental agency before disturbing it.
